

ONUR ESİN

FRONT-END DEVELOPER

ONURESIN.NET | [in ONURESIN](#) | CONTACT@ONURESIN.NET

BACKGROUND

I'm a Front-End Developer who is open to learning and growth. I have strong technical knowledge of React and JavaScript, and I have effectively utilized modern web technologies in my projects. Thanks to my background in marketing, my communication, teamwork, and analytical thinking skills are strong. Creating innovative solutions and quickly analyzing and solving problems are part of my professional approach. I aim for continuous development in my career and plan to specialize in full stack development in the near future.
